Mama

Socrates! Socrates! Mama Helios is waiting for you! I need those coconuts for the flan!

(Socrates enters carrying two coconuts - put them on trunk.)

Socrates

Here you are, Mama!

Mama

Two coconuts? That's all you picked, Socrates.

Socrates

I can get the rest later, Mama. *(reaching for the spoon)* Just a little taste of the chocolate, please.

Mama

(slapping his hand away)

I need more than just two coconuts to make my famous coconut flan.

Socrates

Yes, Mama. I'll get more later.

Mama

And the Helios family will be here soon. You better get busy...

Socrates

And when they get here, we're going to stay up late and play and play and play.

Mama

Maybe.

Socrates

I hate that word "maybe". Why can't you just say "yes"?

Mama Helios

One day, when you're grown up, you'll understand. Now, what about the coconuts?

Socrates

I'll get them later, I promise

Mama

Later, later that's what you always say.

Socrates

And you know what you always say, Mama?

Mama

What?

Socrates

Remember, remember the Island Rule

Picking coconuts is really cool

Mama

But never, ever pick the purple one

Or all your dreams will come undone.

Socrates

Yes, Mama, I know. I know. I know. I know. Yo se. I won't pick the purple ones. Just a little taste....please...

UPDATED: 5/2016

Mama

(looking at her watch)

Ay, ay, ay. Look at the time. Cousin Plato and the rest of the family must have landed. Ay, ay, ay. They will be waiting for us at the airport. Vamonos! *(Exits)*

Socrates

(running after her)

Ok. Ok. Ok. Ok.

(Plato Enters.)

Plato

(to kids)

Wow. That was a great flight. I like flying first class, don't you? I like flying planes, but I like to take time off every once in a while here on beautiful *(stamp)* Coconut Island. Where is Mama Helios? She's late. She said she would be here to meet us and our flight was right on time --

(Mama Helios appears above backdrop.)

Mama

(waving)

Hola, Plato!

Socrates

(appears, waving)

Hola, Plato!

Plato

Hola Mama! Hola Socrates!

Mama & Socrates

(start singing the OMB song from behind the backdrop)

Welcome, Hello, Hola let's go. Gonna have a good time, gonna have a good time...

(after first verse, come around to front of backdrop at "With our trunk that's full of props..." Team Leader takes over leading the song at that point.)

Mama

I think we all know where you're going today, 'cuz you're here! Fantastic *(stamp)* Coconut Island!

Socrates

Hola, hola. Buenos dias. Welcome home Plato & everyone.

Mama Helios

Before we do anything else, we have to get you all dressed up into Isla de Coco gear. I have an entire trunk of traditional costumes right here. Socrates can you help? Did you get the coconuts?

Socrates

Not now, Mama, not now. Let's have some music.

(MUSIC CUE: Team Leader- Dress up music. Get kids dressed.)

UPDATED: 5/2016

Socrates

That's much better. Now you look like you are from the Island.

Mama Helios

Si, Socrates si. We must do the (*stamp*) Coconut island dance. Socrates, music please.

(MUSIC CUE: Team Leader, Gloria Estafan: Conga. Mama Helios teaches the kids the conga dance in place first. Clap to get the rhythm & then 1, 2,3, side.)

Plato

I like that dance, Mama Helios!

Mama Helios

Yes, it is a very popular dance, Plato. Ooooh, I have missed you little Plato. Come here and give your Tia Helios a big kiss. There. There. Now, we have a lot to do. I have to make my famous coconut flan. Plato, my little Plato, (*pinching his cheeks*) you must help me in the kitchen.

Plato

Si, si, Tia Helios, whatever you say.

(Mama exits with Plato. Socrates sits on the trunk.)

Mama Helios

(As she exits)

And you, Socrates, must get me more coconuts.

Socrates

Yes, Mama. We're going, we're all going. We'll get the coconuts. We'll get the coconuts.

Mama Helios

(hands Socrates basket then exits)

But never pick the purple ones.....

Socrates

I know, I know. I know. I know. Now, I'm going to need some help getting the coconuts. But never, never, never pick the purple coconuts. I don't know why.... Here let me show you how to do it...

(MUSIC CUE: Team Leader-Picking Coconuts

ACTIVITY: Run by Socrates. She explains that they will pick the coconuts and then she needs everyone's help throwing the coconuts into the basket. When Socrates has explained the activity, she calls for the coconuts, which are thrown over backdrop one at a time by Mama. She then gives them to kids who will try to throw them in the basket. The activity is over when all the coconuts are in the basket.)

Socrates

Wow, you guys did great. Thanks. There are enough coconuts here, even for mama. Who wants to go fishing?!

(TEAM LEADER: Purple coconut appears over (& behind) backdrop)

Purple Coconut/Hocus Pocus

(loud)

Hey!

UPDATED: 5/2016

Socrates

What?

Purple Coconut/Hocus Pocus

Hey, pick me.

Socrates

Who said that?

Purple Coconut/Hocus Pocus

I did. Pick me!!

Socrates

Was it that purple coconut? No, no, I must be imagining that-

Purple Coconut/Hocus Pocus

Pick me.

Socrates

I think that coconut just spoke to me.

Purple Coconut/Hocus Pocus

(whispering)

Pick me. I'm purple.

I'm no fool.

Don't listen to Mama.

I'll make you rule.

Socrates

What?

Purple Coconut/Hocus Pocus

Pick me. I'm purple.

I'm no fool.

Don't listen to Mama.

I'll make you rule.

Socrates

No, no, no, no. No way. I can't pick the purple coconut.

Purple Coconut/Hocus Pocus

Why not?

Socrates

(to kids) I can't can I? Mama said I shouldn't, I couldn't, so I wouldn't

Purple Coconut/Hocus Pocus

Pick me. You know you want to.

Socrates

But Mama said that-

Purple Coconut/Hocus Pocus

Pick me, Socrates. Pick me Socrates *(Keep repeating)*

Socrates

(to kids) improv. What would you do? Would you pick the coconut? Why not? What could happen? It's just a coconut. (Throughout this exchange hocus pocus says pick me, pick me) (If kids tell you not to pick it, say that you are going to be naughty; that you like being naughty)

UPDATED: 5/2016

(Socrates grabs the coconut and throws it over the backdrop. MUSIC CUE: Male Actor- We hear a crash, a scream and the music starts. Hocus Pocus enters Stage Right. MUSIC CUE: Male Actor- Turn off, when HoPo speaks.)

	Hocus Pocus
Ole!	
	Socrates
Holy Moly. Who are you?	
	Hocus Pocus
Hocus Pocus is my name. Granting wishes is my game.	
	Socrates
And I'm Spiderman	
	Hocus Pocus
	<i>(don't pause for Socrates' answers..)</i>
Have you heard of that kid Aladdin?	
	Socrates
Uhuh.	
	Hocus Pocus
I was the teacher of the teacher of the teacher of his genie.	
	Socrates
Right.	
	Hocus Pocus
I have traveled the seven seas and served kings and queens. But now, I serve only Kids...	
	Socrates
Really.	
	Hocus Pocus
...on this Island	
	Socrates
Huh?	
	Hocus Pocus
...who pick purple coconuts.	
	Socrates
	<i>(Skeptically)</i>
Okey dokey.	
	Hocus Pocus
Socrates, you are now my master and I will grant you three wishes.	
	Socrates
	<i>(to kids)</i>
Can you believe this?	
	Hocus Pocus
You may laugh. You may mock	
But now Socrates	
You're in for a shock	
	Socrates
Yeah, right I'm in for a- <i>(Hocus Pocus claps his hands & Socrates drops into a trance)</i>	

UPDATED: 5/2016

Hocus Pocus

(Pointing to staff member)

You? *(HP claps and staff member drops into a trance)*. Anyone else here have trouble believing I'm a Genie? Good.

(To Socrates)

With a clap you will flop
And what you're doing has to stop
With a snap you will do
What Hocus Pocus tells you to

Now that we've got her in a trance, let's make her do things. Nothing naughty.

(Hocus Pocus makes Socrates bark like a dog etc. etc. (Only make Socrates do 2 or 3 things). Last thing is a visual gag - make Socrates put on her jacket inside out while singing a song)

Hocus Pocus

Now, it is time to bring Socrates out of her trance.

If you want to break the spell
Listen hard and listen well
Now I'll count from 10 to 1
And then you'll know the spell is done.
(to kids) Help me count. 10, 9,8,7,6,5,4,3,2,1 Clap

Socrates

(finishing his sentence before trance)

---yeah right, I'm in for a big old shock, Ms. Hocus Pocus

Hocus Pocus

How're you feeling?

Socrates

Fine.

Hocus Pocus

Anything different?

Socrates

No. Should there be?

Hocus Pocus

Nice jacket you have there.

Socrates

Huh? How did this happen? *(ask kids)*

Hocus Pocus

Like it or not, Socrates, I am a genie and you are my master.

Socrates

Wow, you're good. You're not just a genie. You're a genius.

Hocus Pocus

Oh stop. You have three wishes and three wishes only. So wish away and I shall obey.

UPDATED: 5/2016

Socrates

Ok. What have I got to lose? Three wishes. Only for me. Hmmmmm. I know, I know, I know, I know. My favorite day of the year is my birthday! As soon as I wake up my family sings me happy birthday and I get to eat all the birthday cake I want and I get tons of presents.

Hocus Pocus

And, your wish is...?

Socrates

I wish it was my birthday every day!

Hocus Pocus

You want it to be your birthday every day?

Socrates

Yup, it will be so much fun!

Hocus Pocus

Are you really sure you want it to be your birthday every single day?

Socrates

Positive.

Hocus Pocus

OK. You'd better go to sleep so that you can wake up and have it be your birthday.

(Socrates lays down on trunk)

Here we go:

I'm the genie; I do what you say

Your wish will come true, when we all shout Ole

(1,2,3 Ole)

Socrates

(With one eye open still in bed) Is that it?

Hocus Pocus

Your wish has come true. *(Gets kids to sing her Happy Birthday song)*

Socrates

Yipee!

(VERBAL CUE: Male Actor- Doorbell)

Socrates

Who's that?

Hocus Pocus

I'll get it. *(HoPo brings volunteer on stage & feeds lines)* It's your next-door neighbor Mr. _ /Mrs. _ *(Give the volunteer a name, i.e. Mr. or Mrs. Johnson)*

Neighbor (kid)

Socrates, here is a piece of birthday cake. Happy birthday!

Socrates

Oh, thank you!

UPDATED: 5/2016

Neighbor (kid)

Don't you want to taste it? It's chocolate, your favorite.

Socrates

Oh, yes, of course I do! (takes a bite). It's delicious. Thank you Sir Mr.____/ Mrs._____.

Hocus Pocus

Please take a bow...

(VERBAL CUE: Male Actor- Doorbell)

Hocus Pocus

Ok, Socrates, time to go to bed so you can wake up and have your birthday all over again tomorrow!

Socrates

Thanks, Hocus Pocus!
(Lays back down on trunk)

Hocus Pocus

Ok, everyone let's sing Socrates Happy Birthday! *(Gets kids to sing her Happy Birthday song, Socrates wakes up again)*

(VERBAL CUE: Male Actor- Doorbell)

Hocus Pocus

It's your friend from school *(get kid's name)*.

Friend from School (kid)

Socrates, here is a piece of birthday cake. Happy birthday!

Socrates

Oh, that's ok, I'm still full from the cake I had yesterday.

Mr./Mrs. Johnson

But it's your birthday, you have to eat birthday cake on your birthday.

Socrates

Oh, yes, of course I do. (takes a bite). Thank you *(insert kid's name)*.

Hocus Pocus

Thank you kid, take a bow...

Hocus Pocus

Ok, Socrates, time to go to bed so you can wake up and have your birthday all over *again* tomorrow!

Socrates

Ugh.... *(lays back down on trunk)*

UPDATED: 5/2016

Hocus Pocus

What's the matter, Socrates?

Socrates

Oh nothing, it's just that my tummy kind of hurts from all that birthday cake, I'll be fine though!

Hocus Pocus

Ok, everyone let's sing Socrates Happy Birthday! (*Gets kids to sing her Happy Birthday song, Socrates wakes up again*)

(VERBAL CUE: Male Actor- Doorbell)

Hocus Pocus

It's your friend (*get kid's name*) that you go fishing with!

Fishing friend (kid)

Socrates, here is a piece of birthday cake. Happy birthday!

Friend from School (kid)

Oh, uh, (*kid's name*) I've eaten so much cake already, I couldn't possibly take another bite.

Mr./Mrs. Johnson

But it's your birthday, you have to eat birthday cake on your birthday.

Socrates

You're right, ok. (*takes a bite reluctantly*). Thank you (*insert kid's name*).

Hocus Pocus

Thank you kid, take a bow...

(VERBAL CUE: Male Actor- Doorbell)

Socrates

Oh no, Hocus Pocus, I don't want it to be my birthday every day anymore, my tummy can't take all of this cake!

Hocus Pocus

(ushering her off with a bellyache)

Sorry, you'll have to wait because....that's the end of our Act I.

Male Actor

That means Act I is gone and done

Female Actor

Now we can all take five
Hit the music and begin the jive

Team Leader

Let's rock and shake and shimmy, too

UPDATED: 5/2016

Before beginning our Act II

INTERMISSION

(During intermission, the trunk is moved back to center. Socrates exits to go and put on white wig and glasses)

Team Leader

Who's ready to start Act II?

Male Actor

I'm ready. How about you?

Team Leader

The curtain's up
Let the music play

ALL

Act II can now start, straight away!

ACT II

Socrates

(shuffles on clutching her stomach)

Hocus Pocus (tries not to puke)...Hocus Pocus?

Hocus Pocus

Oh Socrates, there you are. "Happy birthday to you, happy birthday to you..."

Socrates

No, stop, please Hocus Pocus.

Hocus Pocus

What are you saying? You want me to cancel your wish?

Socrates

Yes. Too. Much. Birthday.

Hocus Pocus

Are you absolutely sure?

Socrates

Yes, I'm sure.

Hocus Pocus

Ok, lay down. I'm the genie; I do what you say. Your wish is reversed, when we all shout ole. (1,2,3 Ole) *(Socrates - wakes up and waits to see if the kids sing her 'Happy Birthday', when they do not she stands up relieved).*

Socrates

It's not my birthday!

Mama

(off Stage) Socrates!

(Hocus Pocus hides in audience)

Mama

Socrates. *(entering)* What are you doing?

UPDATED: 5/2016

Socrates

Just being a kid.

Mama

You mean you didn't pick the coconuts?

Socrates

Oh yes, Mama. We picked a lot. All my cousins helped me. Here they are, Mama. (*Gives Mama the basket of Coconuts*)

Mama

(*Sits on trunk*)

Good girl. Well done. There's a nice green one, a very ripe blue one, a yellow one and no purple ones. Good girl. These will be delicious in the flan. Dinner will be ready in an hour. I may be slow, but I cook fast! (*She exits. Hocus Pocus appears*)

Hocus Pocus

Is she gone?

Socrates

Yes. Are you afraid of Mama?

Hocus Pocus

No, no, no, no, no. She just isn't fond of genies or purple coconuts.

Socrates

Why?

Hocus Pocus

No grown ups on this Island are. But that's another story. Socrates, it is time for wish number 2. What do you wish for? What is wish number 2?

Socrates

Wish. Think. Wish. Think. Wish.
Think. Hm? I don't know yet.

Hocus Pocus

(*sings jeopardy song*)

Socrates

I know. I know. I know. I know. I know. I wish I was invisible! That way Mama couldn't find me when she wants me to do chores and I'd rather go fishing, or when it's time to go to bed and I want to stay up late!

Hocus Pocus

Be invisible?

Socrates

Yes! (*ask kids if they think it would be fun to be invisible*).

Hocus Pocus

Very well then:
I'm the genie; I do what you say
Your wish will come true, when we all shout Ole
(1,2,3 Ole)

Socrates

Wait! Hocus Pocus! How do I know if the wish worked?

UPDATED: 5/2016

Mama
(enters)

Socrates, Socrates! Come out here and give your Mama a hug. I'm feeling generous today, I may even let you have a taste of the flan!

Socrates

Here I am, Mama!

Mama

Where? I can't see you!

Socrates

I'm right here! Right in front of you.

Mama

Socrates stop fooling around and come out here right now *(looks behind trunk, behind backdrop, out in the audience, asks kids if Socrates is under their seats)*.

Socrates

Mama, here, I'm right here.

Mama

Enough with your games, Socrates.

Socrates

But Mama, I'm standing right in front of you, it's just that I'm invisible.

Mama

Socrates Alexandria Achilles Helios if you don't show yourself right now...Ay dios mio. That's it, no flan for you.

(Exits)

Socrates

No, wait....oh, well.

Hocus Pocus

That's too bad. What's the matter, Socrates?

Socrates

I don't know....I guess being invisible isn't as much fun as I thought it would be.

Hocus Pocus

Oh really? Why is that?

Socrates

If I'm invisible there are a lot of things I won't be able to do: I won't be able to hug Mama, or taste her flan, or high five my friends when I see them on the beach! That would make me really sad.

Hocus Pocus

So, are you saying what I think you're saying?

Socrates

Yes, Hocus Pocus, I want to take my wish back. I don't want to be invisible anymore.

UPDATED: 5/2016

Hocus Pocus

Here we go:

I'm the genie; I do what you say

Your wish is reversed, when we all shout ole. (1,2,3 Ole)

Socrates

You're sure the spell is undone.

Hocus Pocus

Let's ask your friends.

Socrates

(To Kids) Can you see me? Are you sure? What am I doing now? (To test Socrates does something silly like stick out his tongue or stands on one foot, or asks the kids what color his vest is, to prove he's visible).

Hocus Pocus

One more wish, my friend. One more wish. Then I'm outta here. What's it going to be?

Socrates

I know. I know. I know. I know. I really have a good wish this time. I wish I was....the coolest kid in school.

Hocus Pocus

The coolest kid in school?

Socrates

Yeah. Everyone will want to be my friend, even Nike, who the whole island knows is really popular. This is going to be an awesome wish.

Hocus Pocus

Your wish is my command.

I'm the genie; I do what you say

Your wish will come true, when we all shout Ole

(1,2,3 Ole)

Let's call Nike out here, shall we?

Socrates

Hey, Nike!

Nike

(enters, he's a cool dude, slightly aloof)

(Passes Socrates by but then wish starts to take over) Hey, Socrates. Wow, your outfit looks awesome today. Hey, do you want to sit next to me during lunch?

Socrates

(Turns around and silently celebrates) Yeah, I'd love to!

Nike

Great, see you later. *(They high five).* Socrates, your hand is really cold. Maybe you should put on some gloves.

(Exits)

UPDATED: 5/2016

Socrates

Gloves? But it's a beautiful day on the island like it always is. 85 degrees and sunny. Now that I think about it, I do have a little chill. Whatever. Hey, everyone, check out my rap, it's cool as ice, baby:

Music Cue: A3

Yo stop-here's a news flash for you
 Coolest kid on the island, so true
 Everyone wants to be my friend
 Popular to the very end
 Will it ever stop?
 Don't think so
 My wish came true
 That's a fact -hey ho!
(Teeth start chattering and he's shaking, can't continue rapping).

Hocus Pocus

Wow Socrates, I had no idea you were such the performer. *(Asking kids)* Socrates seems a little full of himself, does he not? Would you want to be friends with someone like that? No? Why not? Interesting.....Oh, Socrates, here comes your "friend" Nike again.

Socrates

(Teeth chattering)

Watch Hocus Pocus, I bet this time he'll say 'hi' to me first.

Nike

(entering)

Hey, Socrates, what's up! Want to watch a movie?

Socrates

Yyyuupp. Thththat wwwwwould bbbbe great.

(They sit on the trunk and Socrates continues to chatter from being the coolest).

Nike

Socrates, shhhh. I can't hear what they're saying.

Socrates

Sssssory. I guess it's because I'm so cool, the ccccoolest. Ccccould I have some popcorn?
(Leans over and touches Nike's arm accidentally).

Nike

Brrrr - Socrates, you're freezing! You're too cold, and loud to sit next to, I gotta go.
(Exits)

UPDATED: 5/2016

Socrates

Hhhocus Pppocus, do you want to watch the movie with me?

Hocus Pocus

Thanks for the offer, but I'll pass.

Socrates

Hhhocus Pppocus this is is not what I wanted. (*hides behind trunk*)

Hocus Pocus

Ah, but that is what you wished for. You wanted to be the coolest kid in school, and by the looks of you, that's what you are.

Socrates

Hocus Pocus! Pleeeeease! This is not my wish.

Hocus Pocus

You said you wanted to be the coolest.

Socrates

Yes, but cool as in *popular*. You keep changing my wishes around. Why do you keep messing with me?

Hocus Pocus

I have only granted exactly what you wished for, Socrates.

Mama

(*off-stage*)

Socrates! Oh, Socrates. Where are you? (enters)

(*Hocus Pocus hides*)

Mama

What are you doing behind that trunk? This is one of the busiest days of the year - with all your cousins here...

Socrates

Mama! I'm so glad you're here.

Mama

What are you doing behind that trunk?

(*Socrates runs to Mama and hugs her*)

Mama

Socrates you're as cold as ice! (*Rubs her arms to warm her up*). What did you do?

Socrates

Hmmm, I can't tell you, you'll be really mad.

Mama

Socrates Alexandria Achilles Helios tell me what you did.

Socrates

Hmmm, awww, hmmm (*very quietly*) I picked the Purple coconut...

Mama

Oh, no you didn't! Well, well, well. I guess the time has come to face Hocus Pocus again.

Socrates

You Know Hocus Pocus?

UPDATED: 5/2016

Mama

Oh, do I ever. Where are you Hocus Pocus? Hocus Pocus? Hocus Pocus!

(Mama searches for Hocus Pocus who is hiding behind the kids, the backdrop, the trunk, wherever she can hide. Mama finally finds her and pinches her cheeks.)

Hocus Pocus

Oww, owww. I was picked. I was picked. Not my fault. Not my fault!

Mama

Socrates, go inside and leave this to me.

Socrates

Yes, mama, I don't want to be famous. I want to be me.

(She exits and pops up above the backdrop to listen. A stand off between Hocus Pocus & Mama)

Mama

So, Hocus Pocus.

Hocus Pocus

So, Mama. You remember!

Mama

Oh yes. I remember. As does every grown up on this island.

Hocus Pocus

Every grown-up was a kid.

Mama

Yes, but you shouldn't encourage them.

Hocus Pocus

Remember what fun we had when you were a kid?

Mama

Fun?

Hocus Pocus

Yes, fun!

(MUSIC CUE: Female Actor- Music on)

Mama

I don't think so. Hocus Pocus

Hocus Pocus

Oh Mama Helios, we had such a good time...

(to music) Your first wish was a pretty pink dress.

Mama

All my wishes turned out a big mess.

I wished for beauty, I wished for fame

Hocus Pocus

You wished like every kid in every game

Mama

All our wishes took a nasty turn

You made a mockery of what we yearn

Hocus Pocus

I'm just doing what the children say

UPDATED: 5/2016

It's not my fault if it ends that way

Mama

Kids grow up. They can't rely on you
To make their wishes & their dreams come true
So hang around & have some fun
But don't grant wishes for anyone.

Hocus Pocus

But Mama Helios what else can I do?
My job as a Genie can't be through.
I've worked for the famous, the hard to impress
Like Lindsay Lohan & that Hilton princess

Mama

And look what pickles those girls are in
You think its fun. I think it's a sin

Hocus Pocus

A sin, I say that's rather strong
It's not my problem if they can't get along
I only meant to have some fun
I never meant to hurt anyone
Genies play a joke on you
That's our job, that's what we do!

Mama

It's time to use your powers for good.

Socrates

(appearing above backdrop)

Start something new in the neighborhood.

Hocus Pocus

All I've ever wanted to do
Is to leave a mark -

Socrates

-Oh, like a tattoo?

Hocus Pocus

(speaking) Hey, why not? I could open a tattoo parlor, right here on the beach

Mama

Now you know what you want to do.
You've got an idea, now make it come true.

Hocus Pocus

I'll make myself a strategic plan
To build a business, I know I can
What's more I'm gonna follow it thru
No more Hocus Pocus, I'm Missy Tattoo!! **(HoPo reveals the tattoo.)**

Socrates

Missy Tattoo! How do you do! *(repeat while HoPo distributes the tattoos to the kids)*

(MUSIC CUE: Female Actor- turn down)

Mama
(*speaking*)

So no more wishes.

Hocus Pocus

No more wishes. (*Crossing her fingers behind her back*)

Mama

Promise? (*Hocus Pocus nods.*)

But make sure you get training before you begin

Don't go messing with people's skin

Hocus Pocus

Ok. OK. OK. I'll try.

If it's ok with you, Mama, I'll say Goodbye.

Socrates
(*singing*)

Missy Tattoo, you've got work to do. (*repeat*)

Mama

Goodbye, Ms Tattoo!

Hocus Pocus

Hasta la vista! (*exits*)

Socrates

Mama, how do you know Hocus Pocus anyway? Did you-

Mama

Never you mind! It's fiesta time. (**MUSIC CUE: Team leader- Music on.**) Let's go home and celebrate!

(*They dance off. Purple coconut appears above backdrop. "Pick me, Pick me!". Socrates peers above backdrop, looking at the purple coconut*)

Socrates
