(Ask the caller who is still on the line.)

Team Leader

That's right. Make believe is to Pretend. Imagine.

Actor 2

There are so many different cool ways to make believe, right? (*Thank the caller and say goodbye to them.*)

Team Leader

Only Make Believe is simple

ALL

Only Make Believe's for kids, and grown-ups like me

Close your eyes and listen to the voices in your heart

Let them make up stories

You'll play the starring part

Actor 3

We brought some stuff to help us make believe. Let's see. (*Referring to OMB logo background.*)

Actor 2

Well it says Only Make Believe right here. (*Referring to OMB logo background.*) And what we're on right now is called a stage.

Actor 3

And you out there watching -- you are the audience.

Team Leader

What happens on a stage? (*Get a caller to answer. Actors "model" the suggestions/answers. Keep caller on the phone for "Guess what I'm doing?"*) That's right. Ok. Guess what I'm doing (*mimes Lip-synching*)

Actor 2

What is he doing? (*Wait for response.*) You got it. He's pretending to sing or sometimes it's called lip-synching.

Actor 3

Hey, I think we should do some Only Make Believe lip-synch karaoke right now. (*Thank the caller and say goodbye.*) I know this guy, MC Phonic and he is an expert at this stuff so let go see if I can find him!

(*Actor 3 exits, puts on red glitter hat, sunglasses and bling*)

Actor 2

That sounds good... wow, he is really excited, I hope "MC Phonic" plays... (*name a current hit songs or artists*)

(**ACTIVITY:** Lip-synch/Karaoke)

ACTOR 3 (*1st singer. Center*) **Team Leader** (*2nd Singer*)(SR).

V2

Actor 3 appears SR as MC Phonic and tries to hype up the audience, giving them high fives, showing off bling. Team Leader gets into it and thinks it is really cool, but Actor 2 looks on a little confused but amused)

MC Phonic

MC Phonic's my name and this is the game with a song that is long with a voice that is choice you can thrill with a trill and roll if it's droll

MC Phonic

If the ditty is pretty the claps they will rap but you'll sink if you stink and the claps they will flap and this my friend will be your end. Let me show you what I'm talking about.

ACTOR SOUND CUE #1: Stayin' Alive

(TL joins in and grooves w/MC Phonic.)

Actor 2

Oh Man, MC Phonic, that was sooooo cool. Can we do another song? Please?

MC Phonic

Of course we can my man! How about greatest hits from the 70s? I'm just getting warmed up!!!

Actor 2

Wait wait wait wait!!! Hello!! This is 2013 people! Who wants to hear some new music?? Now I want to hear some new music. **MC do you have some newer tunes?**

MC Phonic

Alright, alright, alright. I need a caller then.

(MC Phonic ask for a caller to sing a song... offer name of a song and wait for a caller wants to sing it to respond.)

MC Phonic presents MC "**caller's name**".

Team Leader

Hold on a minute. Check this out.
When a game or show is through
This is what the players do

Actor 3

They bow their heads and wait to hear
Will the audience give a cheer?

ALL

So thank you MC, please take a bow
'Cause you deserve applause right now
Wait for applause

V3

(MC Phonic exits. Returns to the stage as soon as possible. TL and Actor 2 fill until Actor 3 returns. Talk about how great MC Phonic was.)

Team Leader

Wow. That was great. Can we try another kind of stage?

Actor 3

I've got one...watch this. *(Does a ballet dance.)*

Actor 2

What is he doing? *(Wait for response)* Yes, he is dancing a ballet. Now, ballet isn't the only kind of dance is it? What other kinds of dancing have you seen on stage? *(Get a caller. Model the dances that he/she talks about.)* What's this? *(She does a dance if caller does not emerge.)*

Team Leader

Tell the kids that everyone can do the ballet from their rooms, while all 3 actors model the ballet –

ACTOR SOUND CUE #2: Ballet music:on

- V4** **And now, Ladies and Gentleman,** the Only Make Believe Ballet. *(Actors can have some fun with it, bumping into each other, etc. Can incorporate moves the caller offered. Please include movements that can be done from a bed, i.e. facial focus, eyes, arms, head side to side...)*

ACTOR SOUND CUE #3: Ballet music:off**Team Leader**

- V5** **Thank you** dancers, please take a bow,
'Cause you deserve applause right now.

Actor 3

You know what? We've done all of this kidding around and we haven't even introduced ourselves.

Team Leader

And we don't know your names either. What a funny way to begin.

Actor 2

So we should take care of that right away.

Team Leader

- V6** Does anyone know the **name game?** **Would anyone like to call in and help us sing the name game? Call on in.** *(Get multiple callers if possible. Maintain rhythm while changing callers. We'll have names in advance from Mary, taped to the floor. If no callers actors do all of the names without interruption.)* Well it goes like this. Everybody clap. Then I say my name, which is Terri...and then I say Terri, Terri Bo Berri. Banana Fana Fo Ferri Fee Fi Mo Merri Terri! Let's go around the circle. Say your name and we'll sing the song. When you catch on...join in. Ready? Jacq...Jacq, Jacq Bo Back...Banana Fana Fo Fack Fee Fi Mo Mack Jacq!

Team Leader

Well, it's great to meet you all.

Actor 3

Well, now that we know each other's name...it's starting to feel like we could put on a show.

Team Leader

Yeah...I love shows.

(I love plays. I love movies. I love musical comedies.)

Actor 3

Me too. But, if we are going to do a show, we need costumes.

Actor 2

Right. Everyone has a part to play

Team Leader

And a costume to make you look that way

Actor 3

Costumes, props, sound & light

Make the theater's opening night

Actor 2

Come pick a hat or cape or gown

And take possession of the actor's crown

So put on your costume pieces that Mary gave you if you do not already have them on.

Team Leader

Call in and tell us what you are wearing. *(If no caller, compliment all on what they have on.)*

Actor 2

Ok. We're all dressed up. So, where shall we go?

Team Leader

I know. Let's pretend we're going to a birthday party.

Actor 3

Oh yeah. Let's make believe it's my birthday.

Team Leader

No. It was my idea. So, it should be my birthday.

Actor 2

V7 **OK. Let's make believe it's your birthday** *(to Team Leader).*

Team Leader

Well if it's my birthday, I want presents.

Actor 2

Of course. I'm bringing you a present in a magic box. I want you to look into the magic box and tell me what you see. It could be anything. That's the good thing about Only Make Believe. Then everyone else will get a chance to look in the magic box. **Then our friends out there can call in and tell us what you see.**

Team Leader

Let's pretend this box is magic

Let's pretend it's very old

Actor 2

Let's pretend it's full of treasures
Like emeralds and gold

Actor 3

It could be a sports car

Team Leader

It could be a snake

Actor 3

It could be a rainbow

Team Leader

Or some birthday cake

Actor 2

It can hold an elephant; it can hold a house

Actor 3

It could have some Bling Bling

Team Leader

Or just a little mouse

Actor 2

It could be just any thing. It's really up to you
So why don't we get started and see what you can do?

Actor 2

Let's start with (TL). If you could have anything you want, what would that be?!? Let's give (TL) a 3,2,1, open. Now, (TL) *what* do you see inside the magic box.

Team Leader

Wow! It's incredible. I see an elephant. It's huge. The elephant is gray and wrinkly with a gigantic yellow ribbon tied around his neck. And look at the trunk on this thing. He's tickling me with his trunk. I'm going to give him a peanut. He's taking the peanut with his trunk. It's amazing. Do you want to look in the magic box (*directed to Actor 2*).

Actor 2

Totally!

Team Leader

OK, lets give (Actor 2) a 3,2,1 open! Now, what do you see??

Actor 2

Holy Moly! (*Make a very different choice from TL's choice that is more imaginative i.e. a unicorn, rainbow, spaceship. Ask for a caller to tell us what they see in the magic box or what they would want for their birthday, etc...*)

Team Leader & Actor 3

Responding

Wow, that's so cool. I love that. I hope I get one of those. Etc.

Team Leader

(Keep the last caller on the phone) Now, let's play it a different way. I'm going to put on some music...see if it changes what you find in the box. You haven't looked in the box yet, it is your turn.

ACTOR SOUND CUE #3: Jaws theme: on**Actor 3**

(sitting on cube or standing)

I can't look in the box. I'm too scared to look in the box.

Team Leader

It's your turn. You look in the box. You must look in the box and tell me what you see. Ready? 3,2,1...

Actor 3

(Looking into the magic box)

(Screams) It's a shark. He's huge and swimming all around. He's so big. And look at those teeth. Look at the size of those teeth and jaws. It's swimming all around and now he's trying to get out of the box. He's about to jump out of the box. I gotta slam the lid shut before he gets out. *(He does)*

Team Leader

(Ask more kids to call in and tell us what we see in the scary box – or just go right to everybody scream and get rid of the box.) Please look in the box. What do you see? I'm going to count to three...scream, and then look into the box. Ready? 1, 2, 3. What's in there? *(After the last caller they get rid of the scary box.)*

V8**Team Leader**

Ok. Enough of that. Hey, how about a song?

Actor 3

Sure, but what kind of song?

Team Leader

One that's special for OMB

Actor 2

You mean like a theme song?

Team Leader

That's exactly what I mean.

Actor 3

I like theme songs.

Actor 2

I know let's play "Name that theme song."

ACTOR SOUND CUE #4: Name That Theme Song selections: on/off**Team Leader**

Ok. That's cool. Now I have something which could be our theme song. I need you guys to help me. *(Get a caller to help sing the song.)* Repeat after me: Welcome, hello....etc.

Team Leader

That's like our own theme song. Cool. **We'll sing that every time that OMB is here at KidZone TV.**

Team Leader

Hey, let's try something new. **We're gonna need your help. Does anybody know what a rehearsal is and what one does in a rehearsal? Call on in and help us out. (Might this same caller on the phone to help with vocal warm-ups and Mime.)**

Actor 2

Yes, that's right, rehearsal gets you ready for the performance.

Actor 3

Does anyone know how it gets you ready?

Actor 2

Well I like to rehearse because I can try out different things and its ok if I make mistakes or get it wrong because it's practice.

Team Leader

That's right and practice makes perfect!

Actor 3

Do you guys practice anything?

Actor 3

Great, so let's begin the OMB rehearsal today by warming up our vocal chords and revving up our energy! Can I get a caller to help us with our continued rehearsal?

(ACTIVITY: Actor 3 leads the group through 1) Vocal Warm-ups: Lip Trills, Lil Face/Big Face, Low → High voice exercise and conclude with I know New York tongue twister)

Actor 3

I know New York

Team Leader

I need New York

Actor 2

I know I need unique New York

All

I know New York, I need New York, I know I need unique New York

First have caller repeat individual lines, then repeat the full phrase a couple times with the callers going faster each time. Dramatize the process and have fun ;-)

Actor 2

That was so much fun!

Actor 3

Hey, I just remembered a unique way of acting. It's when actors act without using any words.

Team Leader

Oh, you mean mime!

Actor 3

Yeah, actors do it all the time
 They use expressions when they mime
 Their faces and their bodies act
 They don't use words and that's a fact

Actor 2

That was cute. Ok. So now we're going to act out something without words?

Team Leader

Yeah! Let's try some miming as a group so we can get the hang of it. It will help to get us warmed up!

Actor 3

You know, this is reminding me of another way we can act.
 This is another type of mime
 They used to do it in olden times.
 It's called a silent movie. Can someone call in and help explain what a silent movie is? *(If no caller emerges please continue with explanation.)*
 It's a movie without any talking...but they always used music. They had to make their expressions bigger than life. They had to say so much without saying a word. Let's make up a story and do our own silent movie.

Actor 2

(to actors)

Yes, great idea. What do we need?

Actor 3

First, what we'll need for our story is someone to play the good guy...our hero...

Team Leader

I can do that. I'll play the hero, and I'll wear this sheriff's star.

Actor 3

And we also need someone to be the villain.

Actor 2

I can do that. And I'll wear this mask. And I guess that leaves you to play the beautiful girl! You have to play the beautiful girl!!

Actor 3

OK. I'll play the beautiful girl... *(He exits...)*

Actor 2

V9 I'll start the music, and we're good to go... **Everyone...1,2,3...action!**

ACTOR SOUND CUE #5: Silent Movie:on

The pantomime takes place in silent movie style dramatics. The beautiful girl enters, crosses to trunk and sits. She is sewing. She hears her hero approaching -- gets up and waits. The hero enters on his horse. Sits the beautiful girl down on the trunk, kneels and offers her a ring. They embrace. Hero gets back on horse and rides off. Villain enters. Captures the beautiful girl. Ties her up to the train tracks. Hero enters on his horse. Battles the villain, unties the girl and together ride off into the sunset, but

not without returning for a final pose with the defeated villain. And all in 2:40. See below for Rock, Paper, Scissors fight.)

Team Leader

Wow that was awesome.

V10

Let's all three take a bow,

'Cause we deserve applause right now

Only Make Believe is done for today. **We've such a good time playing with you today. Will someone call in and help us sing our closing song?**(*Get a caller join the song.*)That is our show... (final song)

SILENT MOVIE PAPER, ROCK, SCISSORS.

TAKES PLACE AFTER THE VILLIAN TIES UP THE BEAUTIFUL GIRL.

Hero rides back in, gets off horse, and sees his beloved tied up. Both Hero and Villian take fighting stance. Then they look to the beautiful girl, go to her and do the "pushing and pulling" bit. Then they come back and take the fighting stance again, and before throwing a punch, they go into "rock, paper, scissors".

1st time – Villian has paper

Hero has scissors

SCISSORS CUTS PAPER. (actually do that)

HERO WINS THAT ROUND, AND DOES A SMALL "VICTORY WALK" AROUND IN A CIRCLE.

2nd time – Villian has rock

Hero has scissors

ROCK CRUSHES SCISSORS. (actually do that)

VILLIAN WINS THAT ROUND, AND DOES A SMALL "VICTORY WALK" AROUND IN A CIRCLE.

3RD time – Villian has rock

Hero has paper

PAPER SMOTHERS ROCK. (actually do that)

HERO WINS THE 3RD ROUND AND RUNS TO THE BEAUTIFUL GIRL AND UNTIES HER, THEY HUG AND BOTH GET ON THE HORSE, WHILE THE VILLIAN IS SO CRUSHED FROM HIS DEFEAT THAT HE GOES TO THE GROUND AND CRIES AND THROWS THE "CURSES" FIST UP IN THE AIR AS HE WATCHES THE HERO AND BEAUTIFUL GIRL RIDE OFF INTO THE SUNSET.
