Actor Sound Cue: Mama Entrance (On/Off=Captain)

(Enter Mama Helios dancing, with wooden spoon in hand. She dances around and then:)

Mama

Socrates! Socrates! *(Goes to sit on trunk)* Mama Helios is waiting for you! I need those coconuts for the flan!

(Socrates enters carrying two coconuts – put them on trunk.)

Socrates

Here you are, Mama!

Mama

Two coconuts? That's all you picked, Socrates.

Socrates

I can get the rest later, Mama. (*Reaching for the spoon*) Just a little taste of the chocolate, please.

Mama

(*Slapping his hand away*)

I need more than just two coconuts to make my famous coconut flan.

Socrates

Yes, Mama. I'll get more later.

Mama

And the Helios family will be here soon. You better get busy...

Socrates

And when they get here, we're going to stay up late and play and play and play.

Mama

Maybe.

Socrates

I hate that word "maybe". Why can't you just say "yes"?

Mama Helios

One day, when you're grown up, you'll understand. Now, what about the coconuts?

Socrates

I'll get them later, I promise.

Mama

Later, later that's what you always say.

Socrates

And you know what you always say, Mama?

Mama

What?

Socrates

Remember, remember the Island Rule

Picking coconuts is really cool

Mama

But never, ever pick the purple one

Or all your dreams will come undone.

Socrates

Yes, Mama, I know. I know. I know. I know. Yo se. I won't pick the purple ones. Just a little taste...please...

Mama

(*Looking at her watch.*)

Ay, ay, ay. Look at the time. Cousin Plato and the rest of the family must have landed.

Ay, ay, ay. They will be waiting for us at the airport. Vamonos! (*Exits*)

Socrates

(*Running after her and exiting*)

Ok. Ok. Ok. **Ok.**

V4

Cousin Plato Enters.

Plato

(To kids)

Wow. That was a great flight. I like flying first class, don't you? I am so excited for our family reunion. Aren't you? I like flying planes, but I like to take time off every once in a while here on beautiful (stamp) Coconut Island. **Oh vacation fun! Are there any callers out there who would like to share where they like to go? (Take a few calls) What do you like to do on vacation? Swimming, hiking, sleeping, eating, etc...** Where is Mama Helios? She's late. She said she would be here to meet us and our flight was right on time --

Mama Helios appears onstage.

Mama

(Waving)

Hola, Plato!

(Socrates appears onstage)

Socrates

(Waving.)

Hola, Plato!

Plato

Hola Mama! Hola Socrates!

Mama

Welcome to Fantastic (stamp) Coconut Island! Cousins it's time to put on your Isla de Coco gear. Do you have the island gear that you were given before the show? Socrates, did you get the coconuts?

Socrates

Not now, Mama, not now. Everyone put on your island masks, and crowns, and your island bling... That's much better! Now you look like you are from the Island!

Mama Helios

Si, Socrates si. We must do the (stamp) Coconut island dance. Socrates, music please.

Actor Sound Cue: Congo-Gloria Estefan (On/Off=Captain)

No caller, just the three of you salsa all together like the experts you are. You can make it silly. Use the depth of the stage. You can go in and out of the frame, only hands or only legs come into frame, etc. Have fun with it.

Plato

I like that dance, Mama Helios!

Mama Helios

Yes, it is a very popular dance, Plato. Ooooh, I have missed you little Plato. Come here and give your Tia Helios a big kiss. There. There. Now, we have a lot to do. I have to make my famous coconut flan. Plato, my little Plato, (pinching his cheeks) you must help me in the kitchen.

Plato

Si, si, Tia Helios, whatever you say.

(Mama exits with Plato)

(Socrates sit on the cubes.)

Mama Helios
(As she exits)

And you, Socrates, must get me more coconuts.

Socrates

Yes, Mama. We're going, we're all going. We'll get the coconuts. We'll get the coconuts.

Mama Helios
(Hands Socrates basket then exits)

But never pick the purple ones.....

Socrates

I know, I know. I know. I know. Now, I'm going to need some help getting the coconuts. But never, never, never pick the purple coconuts. I don't know why.... Here let me show you how to do it...

Actor Sound Cue: Picking Coconuts (On/Off=Male Actor)

This activity is run by Socrates. She explains that they will pick the coconuts and then she needs everyone's help throwing the coconuts into the basket, that she is holding. Ask kids to call in and throw a coconut from their room, and Male Actor will throw the coconuts from behind the camera, the left side, the right side – all different places. Coconut could even hit Socrates.... If nobody calls, you could name the kids from the list and say that the coconut is coming from their room.

Socrates

Wow, you guys did great. Thanks. There are enough coconuts here, even for mama. Who wants to go fishing?!

Purple coconut appears in camera frame

Purple Coconut/Hocus Pocus
(Loud)

Hey!

Socrates

What?

Purple Coconut/Hocus Pocus

Hey, pick me.

Socrates

Who said that?

Purple Coconut/Hocus Pocus

I did. Pick me!!

Socrates

Was it that purple coconut? No, no, I must be imagining that-

Purple Coconut/Hocus Pocus

Pick me.

Socrates

I think that coconut just spoke to me.

Purple Coconut/Hocus Pocus
(Whispering)

Pick me. I'm purple.
I'm no fool.

Don't listen to Mama.
I'll make you rule.

Socrates

What?

Purple Coconut/Hocus Pocus

Pick me. I'm purple.
I'm no fool.
Don't listen to Mama.
I'll make you rule.

Socrates

No, no, no, no. No way. I can't pick the purple coconut.

Purple Coconut/Hocus Pocus

Why not?

Socrates

(to kids) I can't can I? Mama said I shouldn't, I couldn't, so I wouldn't

Purple Coconut/Hocus Pocus

Pick me. You know you want to.

Socrates

But Mama said that-

Purple Coconut/Hocus Pocus

Pick me, Socrates. Pick me Socrates *(Keep repeating)*

Socrates

What would you do? *(Ask kids to call in and tell you)* Would you pick the coconut? Why not? What could happen? It's just a coconut. *(Throughout this exchange Hocus Pocus says pick me, pick me. If kids tell you not to pick it, say that you are going to be naughty; that you like being naughty)*

V5

Socrates grabs the coconut.

Actor Sound Cue: Genie Vida Loca-Picking Purple Coconut (On/Off=Male Actor)

Hocus Pocus

Ole!

Socrates

Holy Moly. Who are you?

Hocus Pocus

Hocus Pocus is my name. Socrates, you are now my master and I will grant you three wishes.

Socrates

(To kids)

Can you believe this?

Hocus Pocus

You may laugh. You may mock
But now Socrates
You're in for a shock

Socrates

Yeah, right I'm in for a- *(Hocus Pocus claps his hands & Socrates drops into a trance)*

Hocus Pocus

If there are kids in the studio audience ask):

You?. Anyone else here have trouble believing I'm a Genie? Good.

If no kids in audience go directly to:

(To Socrates)

With a clap you will flop
And what you're doing has to stop
With a snap you will do
What Hocus Pocus tells you to

Now that we've got her in a trance, let's make her do things. Nothing naughty.

Hocus Pocus gives examples first by making Socrates bark like a dog etc. Then get kids to call in with their own suggestions (take 2-3 calls). Keep final caller on the phone through this final gag:— make Socrates put on her jacket inside out while singing a song. After jacket has been turned inside out have kid on the phone to help you count backwards to break the spell.

Hocus Pocus

Now, it is time to bring Socrates out of his trance.

If you want to break the spell
Listen hard and listen well
Now I'll count from 10 to 1
And then you'll know the spell is done.

(to all kids and kid on phone) Help me count. 10, 9,8,7,6,5,4,3,2,1 Clap

Socrates

(finishing her sentence before trance)

---yeah right, I'm in for a big old shock, Ms. Hocus Pocus

Hocus Pocus

How're you feeling?

Socrates

Fine.

Hocus Pocus

Anything different?

Socrates

No. should there be?

Hocus Pocus

Nice jacket you have there.

Socrates

Huh? How did this happen? *(don't ask kids)*

Hocus Pocus

(Hocus Pocus tells Socrates what she did...) Like it or not, Socrates, I am a genie and you are my master.

Socrates

Wow, you're good. You're not just a genie. You're a genius.

November 2012

Hocus Pocus

Oh stop. You have three wishes and three wishes only. So wish away and I shall obey.

Socrates

Ok. What have I got to lose? Three wishes. Only for me. Hmmmmm. I know, I know, I know, I know. Got it. I always have to do chores for Mama when I want to go fishing. I have to go to school when I want to stay home. I have to go to bed early when I want to stay up late.

Hocus Pocus

And, your wish is...?

Socrates

I would like to be a grown-up.

Hocus Pocus

All grown up?

Socrates

Yup. As grown-up as I can be. Then I can do what I want when I want and how I want. That would be cool.

Hocus Pocus

So you really want to be all grown up? As grown up as you can be?

Socrates

Positive.

Hocus Pocus

OK. Here we go:

I'm the genie; I do what you say

Your wish will come true, when we all shout Ole

V6

(1,2,3 Ole)

HOPO ask callers to get ready to call in with their Boss scripts.

Socrates

Is that it? Have I grown-up?

Hocus Pocus

Your wish has come true.

Socrates

So now I can do whatever I want, whenever I want. That's good.

Verbal Sound Cue Male Actor: Doorbell (Male Actor)

Socrates

Who's that?

Hocus Pocus

I think that must be The Boss, Mr. /Mrs. Johnson! I need someone to call in to be The Boss! *(If no one calls in, Male Actor can be The Boss, holding script that was handed out before)* **Hello Boss. What's your name?** *(Help him/her with their script).*

The Boss (kid on phone)

Socrates, you have to go to work.

Socrates

Work? I don't work.

The Boss (*kid on the phone*)

Sure you do. Grown-ups have to work. You're now working the overnight shift. Don't be late.

Socrates

Yes Sir Mr. ___/ Mrs. _____. I'll be there.

Hocus Pocus

Thank you kid, please take a bow...

Verbal Sound Cue Male Actor: Doorbell (*Male Actor*)

Socrates

(*getting up to answer the doorbell*)

Ouch! Ow. (*Socrates loses teeth.*) My back.

Hocus Pocus

What did you say? I didn't understand?

Socrates

(*no teeth*)

My back! Oh! My teeth!

Hocus Pocus

Sit back down. I'll get it. **I think that must be the Tax Collector! I need someone to call in to be the Tax Collector!** (*If no one calls in, Male Actor can be the Tax Collector, holding script that was handed out before*) **Hello Tax Collector. What's your name?** (*Help him/her say script*).

Tax collector (*kid on phone*)

Is this the home of Socrates Helios?

Socrates

Yes.

Tax Collector (*kid on phone*)

You owe back taxes for 30 years.

Socrates

Taxes? I don't pay taxes?

Hocus Pocus

Sure you do. All grown-ups pay taxes and go to work and have many other responsibilities.

Socrates

Oh no.

Tax collector (*kid on phone*)

Here's the bill. Have a nice day. (*Hocus Pocus thanks the caller*)

Hocus Pocus

Thank you kid, please take a bow...

Verbal Sound Cue, Male Actor: Doorbell (*Male Actor*)

Socrates

Oh no! Hocus Pocus. I want to be a kid again. Please, please, please.

NO INTERMISSION

Socrates

Hocus Pocus hurry before someone rings the doorbell again. I don't want to be old. It's more fun being a kid.

Hocus Pocus

Are you sure you want to cancel your wish.

Socrates

Yes. I want to be a kid again. Hurry up!

Hocus Pocus

Fair enough.

I'm the genie; I do what you say

V7 Your wish is reversed, when we all shout ole. (1,2,3 Ole)

Socrates stands up straight, carefully tries to move around and finds that she is fit as a fiddle. She jumps around ecstatically.

Socrates

Look at me. Look at me. I'm a kid again. Yippee.

Mama

(Off Stage) Socrates! Socrates. *(Hocus Pocus runs off camera to hide)* *(Entering)* What are you doing?

Socrates

Just being a kid.

Mama

You mean you didn't pick the coconuts?

Socrates

Oh yes, Mama. We picked a lot. All my cousins helped me. Here they are, Mama. *(Gives Mama the basket of Coconuts)*

Mama

Good girl. Well done. There's a nice green one, a very ripe blue one, a yellow one and no purple ones. Good boy. These will be delicious in the flan. Dinner will be ready in an hour. I may be slow, but I cook fast! *(Exits)*

Hocus Pocus comes back into frame

Hocus Pocus

Is she gone?

Socrates

Yes. Are you afraid of Mama?

Hocus Pocus

No, no, no, no, no. She just isn't fond of genies or purple coconuts.

Socrates

Why?

Hocus Pocus

No grown ups on this Island are. But that's another story. Socrates, it is time for wish number 2. What do you wish for? What is wish number 2?

Socrates

Wish. Think. Wish. Think. Wish.
Think. Hm? I don't know yet.

Hocus Pocus

(sings jeopardy song)

Socrates

I know. I know. I know. I know. I know. I hate to lose. I wish that I will always win.

Hocus Pocus

Always win?

Socrates

Yes. I love winning (ask kids if they like winning).

Hocus Pocus

Very well then:

I'm the genie; I do what you say

Your wish will come true, when we all shout Ole

(1,2,3 Ole)

Socrates

Wait! Hocus Pocus! How do I know if the wish worked?

Hocus Pocus

(Stands to the side on camera and watches or says from off camera)

Play a game!

Nike

(Enter Nike into camera frame – possibly just his head.)

Hey Socrates, what you doing? Want to race? Huh? Want to race?

Socrates

Yeah! And Nike **my friend**, this time I'm going to win.

Nike

Oh yeah, sure. Sure, Socrates. Come on let's go. *(Nike gets a kid to call in to say: "On your mark, get set, go, with the help of Hocus Pocus. If no caller Hocus can say it.)*

(The race begins center stage with Socrates and Nike standing side by side facing downstage. They are running towards the audience. They begin together, then Nike leads, then Socrates catches up, then Socrates leads and leaps to the finish line. Option for race to be run cross section as well. Socrates wins. She celebrates saying)

Socrates

Every game that's ever been

I, I will always win.

Hocus Pocus

Thank you for helping caller. Goodbye.

Nike

Let's race again. On you mark get set go.

(They race in same direction as above, and Socrates wins again.)

Socrates

Every game that's ever been

I, I will always win.

One more time, come on Nike.

Nike

How come you're so fast today? Have you been training? Did you get new shoes?

Socrates

No. Got my old shoes. But get used to it Nike. I'm gonna be fast all the time. One more race, come on Nike.

Nike

Naaah. It's not so fun. I'll tell you what. Let's thumb wrestle. I'll show ya.

Socrates

I know how to thumb wrestle. *(1,2,3,4. Let's have a thumb war. They thumb wrestle. Socrates wins. She celebrates.)*

Every game that's ever been

I, I will always win.

Nike

How about two out of three?

Socrates

Sure. Let's do it. *(1,2,3,4. Let's have a thumb war. They thumb wrestle. Socrates wins. She celebrates.)*

Socrates

Every game that's ever been

I, I will always win.

Nike

I don't want to play again. No fun at all when you're a loser. See ya. *(exits)*

Socrates

But Nike, aren't we friends? Oh well. *(She sits on the trunk)* This isn't fun. No one to play with. HOCUS POCUS! You'll have to play. You're gonna lose today

Hocus Pocus

Play. Against you? No way. We all know you're going to win.

Socrates

Of course I'm gonna win. But come on. It'll be fun.

Hocus Pocus

I don't have a chance, what's the point?

Socrates

Nike played with me and he had a good time.

Hocus Pocus

Let's ask him. Nike, did you have a good time?

Nike

(His head appears in camera frame)

No!

Hocus Pocus

Hmmm!

Socrates

(Her dilemma)

(moving to the right) I want to win all the time. *(moves to the left)* I want to have friends to play with. *(repeat)* What do I want more? Winning or Friends. Hmmm. I suppose I want my friends just a little bit more.

Hocus Pocus

Good choice. It's lonely at the top. So, do you want to take your wish back?

Socrates

Yes.

Hocus Pocus

Here we go:
I'm the genie; I do what you say
Your wish is reversed, when we all shout ole. (1,2,3 Ole)

Socrates

You're sure the spell is undone.

Hocus Pocus

Play a game.

Socrates

(If there is a kid in the audience): Will you thumb wrestle with me?

(If there are no kids in the audience): Hocus Pocus, will you thumb wrestle with me?

Hocus Pocus

One more wish, my friend. One more wish. Then I'm outta here. What's it going to be?

Socrates

I know. I know. I know. I know. I really have a good wish this time. I wish I was...famous.

Hocus Pocus

Famous.

Socrates

Yeah. Famous. Everyone in the whole wide world will know who I am. I'll be on TV all the time. It will be really cool.

Hocus Pocus

Your wish is my command.

I'm the genie; I do what you say

Your wish will come true, when we all shout Ole

(1,2,3 Ole)

V8

TV Reporter slowly appears on camera. Socrates sits with her back to the camera in front of Reporter. We see the back of her head.

Reporter

Welcome to the 6 o'clock News. I am Ernesto Cruz. **I need my reporters to call in.** And now for our top story. Once again Socrates Helios is in the headlines

Socrates

(Turning to camera – speaking into it as if it's a secret)

It's worked! It's worked. That's me! That's me! I'm in the headlines.

Reporter

Everyone knows Socrates.

Socrates

That's me. That's me.

Reporter

Socrates Helios who has been fined 47 times for picking her nose in public...

Socrates

What?! I only pick my nose at home.

Reporter

...is now reported to the kid with the smelliest feet in New York City

Socrates

I don't have smelly feet.

Reporter

Let's go to our reporters in the field to get to get a whiff of this (*get a kid to call in*).

Reporter

Hello Reporter #1. What is your name? And what do you have to ask?

Caller-Reporter #1

(*on the phone – assisted by Reporter*)

Socrates, don't you ever wash your feet?

Socrates

Of course I do-

Caller-Reporter #1

Socrates, why do you pick your nose?

Socrates

I don't...

Reporter

Thank you reporter #1. Goodbye. Can a reporter #2 call in? Hello Reporter #2. What is your name? And what do you have to ask?

(*Or just keep the other reporter on the phone if it's been taking a long time to get a kid to call in.*)

Caller-Reporter #2

Socrates, why do you suck your thumb?

Socrates

What are you talking about?

Caller-Reporter #2

Are you famous Socrates?

Socrates

Yes. I am. Why?

Caller-Reporter #2

Famous for having smelly feet

Socrates

Smelly feet? No, no. I told you -- that's not right. (*goes to corner of camera frame to hide.*) Hocus Pocus!!

Hocus Pocus

Smelly feet! Smelly feet! (*Then thanks the caller and says goodbye*)

Socrates

Noooo! HOCUS POCUS!!! This is not what I wanted.

Hocus Pocus

Ah, but that is what you wished for. You wanted to be famous. You are now famous. Famous for smelly feet...

Reporter or Hocus Pocus

...famous for picking your nose, famous for sucking your thumb, famous for getting wedgies, (*keeps making things up as he disappears slowly below the backdrop*)

Socrates

Hocus Pocus! Pleeeeeeease! This is not my wish.

Hocus Pocus

You said you wanted to be famous.

Socrates

Yes, but for doing good things. You keep changing my wishes around. Why do you keep messing with me?

Hocus Pocus

I have only granted exactly what you wished for, Socrates.

Mama

(off-stage)

V9 **Socrates!** Oh, Socrates. Where are you?

Hocus Pocus and Socrates run opposite ways off camera. Mama enters

Mama

Socrates where are you?! (Socrates enters into frame, all embarrassed knowing he's in trouble) There you are! This is one of the busiest days of the year – with all your cousins here-

Socrates

Mama! I'm so glad you're here.

Mama

What have you done now? And what are you doing behind that trunk?

Socrates

I did something bad...

Mama

Not again. Tell me Socrates

Socrates

Hmmm, I can't tell you, you'll be really mad.

Mama

Socrates Alexandra Achilles Helios tell me what you did.

Socrates

Hmmm, awwww, hmmm *Does someone want to call in and tell Mama what I did? (OR if no one calls in, Socrates says, "I picked the purple coconut...")*

Mama

Oh, no you didn't! Well, well, well. I guess the time has come to face Hocus Pocus again.

Socrates

You know Hocus Pocus?

Mama

Oh, do I ever. Where are you Hocus Pocus? Hocus Pocus? Hocus Pocus!

Mama searches for Hocus Pocus. Create a small chase scene. For example, Mama looks into camera and then turns around, we see the back of Mama's head and the Genie comes into frame and looks right into the camera and says, "SHHH!", until Mama finally finds her and pinches her cheeks.

Hocus Pocus

Oww, owww. I was picked. I was picked. Not my fault. Not my fault!

Mama

Socrates, go inside and leave this to me.

Socrates

Yes, mama, I don't want to be famous. I want to be me. (*Exits*)

Actor Sound Cue: Mama and Hocus Pocus Duel (On/Off=Socrates)

Socrates peak in and out of frame listening to duel.

Mama

So, Hocus Pocus.

Hocus Pocus

So, Mama. You remember!

Mama

Oh yes. I remember. As does every grown up on this island.

Hocus Pocus

Every grown-up was a kid.

Mama

Yes, but you shouldn't encourage them.

Hocus Pocus

Remember what fun we had when you were a kid?

Mama

Fun?

Hocus Pocus

Yes, fun!

Mama

I don't think so. Hocus Pocus

Hocus Pocus

Oh Mama Helios, we had such a good time...

(to music) Your first wish was a pretty pink dress.

Mama

All my wishes turned out a big mess.

I wished for beauty, I wished for fame

Hocus Pocus

You wished like every kid in every game

Mama

All our wishes took a nasty turn

You made a mockery of what we yearn

Hocus Pocus

I'm just doing what the children say

It's not my fault if it ends that way

Mama

Kids grow up. They can't rely on you

To make their wishes & their dreams come true

So hang around & have some fun

But don't grant wishes for anyone.

Hocus Pocus

But Mama Helios what else can I do?

My job as a Genie can't be through.

I've worked for the famous, the hard to impress

Like Lindsay Lohan & that Hilton princess

Mama

And look what pickles those girls are in
You think its fun. I think it's a sin

Hocus Pocus

A sin, I say that's rather strong
It's not my problem if they can't get along
I only meant to have some fun
I never meant to hurt anyone
Genies play a joke on you
That's our job, that's what we do!

Mama

It's time to use your powers for good.

Socrates

(Interjecting)

Start something new in the neighborhood.

Hocus Pocus

All I've ever wanted to do
Is to leave a mark -

Socrates

-Oh, like a tattoo?

Hocus Pocus

(speaking) Hey, why not? I could open a tattoo parlor, right here on the beach

Mama

Now you know what you want to do.
You've got an idea, now make it come true.

Hocus Pocus

I'll make myself a strategic plan
To build a business, I know I can
What's more I'm gonna follow it thru
No more Hocus Pocus, I'm Missy Tattoo!!

Socrates

Missy Tattoo! How do you do! *(repeat – encourage kids to say it from their room – don't ask them to call.)*

Music turned down

Mama

(speaking)

So no more wishes.

Hocus Pocus

No more wishes. *(Crossing her fingers behind her back)*

Mama

Promise?

Hocus Pocus nods.

Mama

But make sure you get training before you begin
Don't go messing with people's skin

Hocus Pocus

Ok. OK. OK. I'll try.
If it's ok with you, Mama, I'll say Goodbye.

Socrates*(singing)*

Missy Tattoo, you've got work to do. (repeat)

Mama

Goodbye, Ms Tattoo!

Hocus Pocus

Hasta la vista!

Hocus Pocus exits

Socrates

Mama, how do you know Hocus Pocus anyway? Did you-

Mama

Never you mind! It's fiesta time.

Actor Sound Cue: Mama Exit/Fiesta (On/Off=TL)

Let's go home and celebrate!

*They dance off. Purple coconut appears right up to camera. "Pick me, Pick me!"
Socrates peers into camera and looking at the purple coconut.*

Socrates

This time I'll get it right!
